Still 9 months to go before the 26e West European Sub-regional gathering in Oostduinkerke Domein De Westhoek.

Things are starting to fall into place.

The gathering and the hotel accomodation are in the same building (www.domein-westhoek.be). This building is situated in the dunes and within a small walk to the seaside. There will be 4 different types of rooms available (standard, comfort, luxury and prestige) all ensuite.
