Interested in International Scouting and Guiding?

'Scouting and Guiding is not only a game for children, it is a way of life for adults'

Robert Baden Powell

The Scout and Guide Fellowship in the UK is an organisation for those members of Scouting and Guiding who wish to belong to the International Scout and Guide Fellowship (ISGF).

Members of the SGF come from all parts of the UK where most support their local units — Scouting, Guiding and Trefoil Guild.

Many are already involved in International projects and help the young people in the movements to achieve their dreams with the benefit of experience and often financial help.

Don't hold back your enthusiasm.

If you have that Scouting/Guiding spirit and would like to experience the fellowship and company of likeminded people, then contact us today.

Subscription is only £5 per year so do join us to keep the spirit alive!

There is an 'International Development Fund' administered by ISGF which provides funds for projects, development and support to WAGGGS (World Association of Girl Guides and Girl Scouts) and WOSM (World Organisation of the Scout Movement). If you would like to contribute please do so using the form attached.

Please complete the form overleaf and send to
